**Where:** Albany High School  
700 Washington Ave.

---

**\*\*\*Childcare and a meal will be provided free at this event.\*\*\***

Parent University is a City School District of Albany initiative designed to help keep parents involved in the education of their children at the middle-school level, and has now been expanded to include more schools courtesy of a My Brother's Keeper Challenge Grant.

This presentation is in addition to Albany High's regularly scheduled Parent University events.
